

WE NEED YOU!

We need your help! By participating in *Philly Run Wild* you are directly supporting Orangutan Foundation International (OFI).

When you register for *Philly Run Wild*, we'll send you information on ways you can raise money from family and friends to support endangered orangutans. It's easy. It's fun...and it's oh so rewarding!

Special gift to all participants who raise \$50 or more. Great prizes awarded to top 5 participants who raise the most money—and we'll feature you in our E-newsletter!

Your fundraising support will help OFI:

- Care for and rehabilitate 340 orphaned orangutans, and ensure their successful return to the wild.
- Safeguard more than 1 million acres of rainforest habitat.
- Purchase and protect thousands of acres of the Rawa Kuno Legacy Forest.
- Protect the world's largest remaining wild orangutan population from extinction!

About

Orangutan Foundation International

Established in 1986 by world-renown primatologist Dr. Biruté Mary Galdikas, OFI is a US-based, nonprofit organization that relies on supporters to continue its important work of safeguarding endangered orangutans in Borneo.

We have protected more than 1.5 million acres of rainforest habitat and saved hundreds of captive and orphaned orangutans from death or a dire life in captivity—giving them a second chance to grow up and be free. Our work includes:

- Rescue, rehabilitation, and return to the wild
- Habitat protection, acquisition, and restoration
- Conservation outreach, education, and research
